INSTRUCTIONS TO PUBLISHERS

Extreme care should be exercised to insure that the specifications for advertising to be set other than solid be definite, clear, and specific since no allowance will be made for paragraphing or for display or leaded or prominent headings, unless specifically ordered, or for additional space required by the use of type other than that specified. Specifications for advertising other than solid and the advertisement copy submitted to the publisher will be attached to the voucher. The following is a sample of solid line advertisement set up in accordance with the usual Government requirements.

DEPARTMENT OF HIGHWAYS & TRAFFIC,
D.C. Bids are requested for first spring 1966 cement concrete repair contract, including incidental work, Washington, D.C., Invitation No. C-5576-H, consisting of 11,000 sq. yds. PCC Class BB sidewalk repair and 2,000 cu. yds. PCC Class A pavement, alley, & driveway repair, both cut repairs only. Bidding material available from the Procurement Officer, D.C. Sealed bids to be opened in the Procurement Office at 8:00 p.m., November 15, 1965.

Your bill for this advertising order should be submitted on the "Public Voucher for Advertising" form, which is printed on the reverse of this form, immediately after the last publication of the advertisement. If copies of the printed advertisement are not available, complete the affidavit provided on the voucher. Submit the voucher and a copy of the printed advertisement to EPA.....

PUBLIC NOTICE
THE ENVIRONMENTAL PROTECTION
AGENCY (EPA) ANNOUNCES THAT IT
INTENDS TO DENY A RESOURCE CON-
SERVATION AND RECOVERY ACT
(RCRA) HAZARDOUS WASTE PERMIT
FOR NORPLEX DIVISION, UOP, INCOR-
PORATED (NORPLEX) OF POSTVILLE,
IOWA. NORPLEX REQUESTED THIS
ACTION IN LIEU OF SUBMITTING A
PART B HAZARDOUS WASTE PERMIT
APPLICATION.

Norplex has been operating a hazardous waste storage facility under interim status. On March 4, 1982, EPA requested that Norplex submit a RCRA Part B permit application. The facility requested to be withdrawn from Part B status and to revert to generator status. Norplex may continue to generate hazardous wastes, but may no longer store the wastes for a period of time in excess of 90 days.

A Notice of Intent to Deny a permit is a type of draft permit subject to procedures applicable to draft permits as set forth in 40 Code of Federal Regulations (CFR) Part 124 and is based upon an administrative record. The administrative record consists of the Notice of Intent to Deny RCRA Permit, the Statement of Basis which describes the reasons supporting the decision, and all data submitted by the facility.

The administrative record is available for public review beginning on March 9, 1984, between the hours of 8:00 a.m. and 4:30 p.m., Monday through Friday at: the EPA Region VII Library, 324 East 11th Street, Kansas City, Missouri; the Iowa Department of Water, Air and Waste Management (IDWAWM) Central Office, Henry A. Wallace Building, 900 East Grand, Des Moines, Iowa; and at the IDWAWM Region I office, 209 North Franklin, Manchester, Iowa.

Comments or requests for additional information should be directed in writing to Mr. Lyndell Harrington, Waste Management Branch, EPA Region VII, at the address listed above or by telephone at (816) 374-6531. Comments must be submitted by April 23, 1984.

The EPA has not scheduled a public hearing; however, if requests are received which indicate a significant degree of public interest in this Notice of Intent to Deny, a public hearing will be scheduled. Requests for a public hearing must be in writing to EPA, and must state the nature of the issues proposed to be raised in the hearing. Such requests must be submitted by April 23, 1984. The public notice and public hearing procedures may be found in 40 CFR Sections 124.11 and 124.12.

After consideration of all comments received, EPA will make a final permit decision. If the determination is substantially unchanged from that announced by this notice, EPA will notify all persons submitting written comments or requesting the notice of final permit determination. If the determination is substantially changed from that announced by this notice, a new Public Notice will be issued and the public participation process will be reopened. 10c
